

## Directions to Rhiw Ddu (SatNav SA19 9PA)

### From the North

Head for Llandovery on the A40, then take the A4069 to Llangadog, for about 6 miles. At Llangadog you will see the Castle Hotel in front of you, you need to make a left turn in front of the Hotel, remaining on the A4069 heading for Brynamman. From here it is exactly 5.3 miles to the turning for Rhiw Ddu Barns. As you approach the sharp left hand bend you will see a stone farmhouse with a grey extension on the right hand side, to the right of this extension is a small lane (marked dead end), turn up this lane, after approximately 1 mile we are the first property on the left.

### From the South (M4)

Head for Brynamman, then take the A4069 heading for Llangadog. The A4069 takes you over the Black Mountain at the start of which you will cross a cattle grid. Please be careful, as the horses sometimes stand in the road. Stay on the A4069 until you cross a second cattle grid (regardless of what your Satnav tells you). From the second cattle grid, it is exactly 1 mile to the turn you need to take. At the 1 mile mark, on a sharp right hand bend you will see on your left a stone farmhouse with a grey extension (on its right hand side). In front of you will be a dead end sign and a green council bin. You need to turn left directly after the grey extension. Rhiw Ddu Barns is situated approximately 1 mile up this lane and is the first property on the left.
